Black History Month October 2022

What is Black History Month?
- Launched in London in 1987
- Inspired by US Black History Month
- Time to learn about and celebrate the contributions made to British history by people of African or Caribbean heritage

Black History Month’s mission statement is: "Dig deep, look closer, think bigger."
And the theme is: Time for change: Action Not Words

Why celebrate it?
We should learn about and celebrate the accomplishments of a wide diversity of British history year-round.

During Black History Month, we spotlight the contributions of Black people in particular. In museums, our duty is to share history with our audiences.

CMAG says...
